Dear Sir/Madam,

I am filing this application under the Right to Information Act, 2005, to seek the following information regarding public sanitation services in my locality (Rose Avenue, Mumbai).

1. What is the current frequency of garbage collection in the area?
2. What measures are being taken to ensure proper waste disposal and cleanliness?
3. What budget allocation has been made for sanitation services in this area in the last 12 months?
4. How many sanitation workers are assigned to this area?

I would be grateful if you could provide the requested information within the prescribed period under the RTI Act. Please inform me if there are any charges for providing the information.

Thank you for your attention to this matter.

Sincerely,
