Subject: Application for Financial Aid for Flood Victims

Dear Sir/Madam,

I am writing to request financial aid for the victims of the recent floods in Pune District. Many residents of Orchid Park, including myself, have suffered extensive property damage, and several families are in dire need of support for recovery and rehabilitation.

As a community, we have been left without shelter, food, and medical aid, and we are struggling to rebuild our homes. I humbly request that your office provide the necessary relief funds and resources to help us in this difficult time.

Thank you for considering this request. I am hopeful that we will receive the support needed to rebuild our lives.

Sincerely,

Priya Mehta
